

SAY NO TO U.S. WAR ON LIBYA

**Funds for Jobs, Housing, Human
Needs & Education, Not War!**

Anti-War Protest

Saturday, April 2, 2011 1:00 PM

Hiawatha & Lake Street, Minneapolis

Come participate in a visible anti-war presence with signs and banners.

Eight years after the start of the war in Iraq, the U.S. has launched a new war in the Middle East, this time against Libya. This is not a "humanitarian intervention." This is a war launched to try to control the oil resources of the region. The big powers intervene for their own economic interests, not for the interests of the people. Funds are needed for housing, jobs, education and human needs, not a new war
