

# Bail Out

## Poor and Working People, NOT the billionaires!

Obama is in, but we can't let Minnesota politicians off the hook. We need help NOW, and we will demand that the state

**Tax the rich --  
Not one dime in cuts to the poor!**

do the right thing for the majority of the people. Our schools, healthcare, welfare, child-care are in trouble, decent jobs are hard to find and layoffs are happening everywhere. Working and poor people are losing their homes. Now we see the GOV'T bailing out the richest of the rich, while saying nothing about what our families need for basic SURVIVAL!

Minnesota is facing a \$5.2 BILLION Dollar Deficit. Already politicians are plotting to balance this deficit on the backs of poor and working Minnesotans. The Welfare Rights Committee and the MN Coalition for a People's Bailout are working on our own BAILOUT BILL for poor and working people. We will fight for MN legislators at the state capitol to make our bill law.

We Demand

- A Moratorium on the Welfare Time Limit
- A Moratorium on Housing Foreclosures
- A Moratorium on Evictions from foreclosures
- Extend Unemployment Insurance &
- Make it so more of us *qualify* for Unemployment
- No Attacks on Immigrants!
- MN Must *Create Jobs* with Decent Wages!
- NO JOB LAYOFFS
