**Anti-War Protest
Saturday, October 16, 2010**

1:00 PM, Lake Street & Hiawatha Ave., Minneapolis

October 2010 will mark nine years of the U.S. war in Afghanistan, a war that is escalating daily and expanding into Pakistan. 50,000 U.S. troops continue to occupy Iraq. In the U.S., millions are unemployed, families are facing foreclosure and schools and social services are facing huge budget cuts. From October 7–16 there will be local peace actions in cities across the U.S. to mark nine years of war in Afghanistan and call for peace. Join the October 16 event in Minneapolis.
