

Stop ALL Witch Hunts.

Report-back from Committee to
Stop FBI Repression national conference

EVEN NOW, Bush and Obama's "Justice Departments" are investigating, subpoenaing, indicting, torturing, sentencing and imprisoning people for:

- Providing Humanitarian Aid
- International Union Solidarity
- National Liberation Struggles
- Anti-War Activism
- Immigrant Rights & Legal Assistance
- International Solidarity
- Being Arab or Muslim
- "Thought Crimes" (Really.)

We met with these people.
We *are* these people.

Serious and sobering information and updates were presented at the Nov. 5 conference in Chicago. We formed new bonds for solidarity and resistance with Puerto Rican, Palestinian, Arab and Muslim fighters for justice, as well as other folks caught up in the U.S. criminal injustice system.

Come to this important report-back from the conference to hear about imprisoned activists and the dangerous issues we all face for exercising what we thought were our rights.

It will take a movement to turn this around, before more get hurt.

**Report-back
Thursday
Dec. 15
7:00 p.m.
Plymouth Congregational
Church
1900 Nicollet Ave
Minneapolis, MN**

Carlos Montes & Noor Elashi

will join us via video-conference

- ⇒ **Carlos Montes** faces years in prison, based on COINTELPRO-style charges stemming from his anti-war and international solidarity activism.
- ⇒ **Noor Elashi's** father, Ghassan Elashi, is one of the "Holy Land Five." The Holy Land Foundation was one of the largest Muslim charities in the U.S. After a series of outrageously unjust court actions, her father is serving a 65-year sentence.
