Protest and March

Wednesday, July 8
4:30 pm
March through Uptown
Starting from Loring Park, Minneapolis

Join us to commemorate the Palestinian lives stolen by the Israeli military’s horrific 51-day bombing of Gaza in July-August 2014. The apartheid state of Israel committed innumerable atrocities for which it still has not been held accountable, not the least of which include 2,200 Palestinians massacred (519 children), United Nations shelters bombed, over 108,000 people left homeless due to the targeting of multistory family homes, the deliberate damaging of Gaza’s only power plant, and clear incitations to genocide from top Israeli officials. The US is directly complicit in these war crimes, providing $3 billion in foreign aid to Israel every year. This past summer we witnessed some of the largest Palestine solidarity protests ever in Minnesota. Join us to continue to build a movement opposing US aid to Israel and to mark the 1-year anniversary of Israel’s escalation of the war on Gaza with a march through Uptown Minneapolis. This will also launch our social media campaign #51daysinGaza.
