Rep. Betty McCollum:

On Dec. 19, 2017, 16-year-old Ahd Tamimi was arrested by Israeli occupation troops when they raided her house in the middle of the night. She remains detained indefinitely and is accused of having slapped an IDF soldier while attempting to defend herself, her family and her country.

Over 12,000 Palestinian children have been arrested since 2000! No child should be thrown into a military prison without a fair trial, denied access to parents or lawyers, and be subjected to abuse.

We call on you to speak out for the release of Ahd Tamimi and all the detained Palestinian children. We further call on you to stop U.S. funding Israeli war crimes against Palestinians.
